JONATHAN L. HEALY
Commissioner

Greetings:

As another growing season gets underway, the Department of Food and Agriculture would like to offer you "The Green Book: A Directory of Wholesale Growers of Massachusetts Grown and Fresher Products," an essential resource guide to buying the best locally grown products on the market.

The growers listed in this directory are dedicated to providing you with some of the freshest and finest produce and horticultural crops in the country. By supporting their efforts, you are helping to sustain local farms while preserving open space.

As you may know, many Massachusetts growers practice Integrated Pest Management (IPM)--using natural techniques to reduce their need for pesticides. If you are looking for an IPM certified grower, please let us know.

If you are looking for organic crops, please call either Edwin McGlew or Julie Rawson at the Northeast Organic Farming Association (NOFA). Mr. McGlew can be reached at (413) 247-9264. For Ms. Rawson, please call (508) 355-2853.

If you are interested in obtaining additional copies of the Green Book or "Massachusetts Grown and Fresher" point-of-purchase materials, please contact Rick LeBlanc at (617) 727-3018, x237. The Green Book is also available on diskette or can be downloaded from our website at: www.massgrown.org.

Finally, if for some reason you are unable to locate a readily available source of a particular product, please call either me at x100, or Rick at x237.

We welcome your comments and suggestions on the Green Book. Thank you again for your continued support of Massachusetts agriculture.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Healy".

Commissioner

The sixth edition of the Green Book was produced by the Bureau of Markets staff. This publication lists Massachusetts wholesale producers of Agricultural products. These businesses responded to a mailed questionnaire and telephone inquiries; therefore not all MA growers are listed. The production figures listed are estimates provided by the grower. Every effort has been made to maintain accuracy and completeness. Please notify us of any inaccuracies or omissions.
